Summary: This is about Sailor Chibi Charon. I got the idea from comeing to this site, I saw the stuff about Sailor Charon, so I looked up the authors profile and e-mailed her if it was ok if I made Sailor Chibi Charon. And she said it was so here she is.

Sailor Chibi Charon aka Jade

Hi I'm Jade. Well, thats my nick name. I'm the daughter of Queen Tara, so that makes me Princess Tara. Yep I'm Princess Tara of the planet Charon. Or as my friends call me Jade, there are so many reasons they call me that.

>1. Cause, that was my mom's nickname
2. Cause, thats my fav. color and that its the color of my hair and my eyes.

>As some now my Mom was Sailor Charon, so that makes me the new Sailor Charon right? Wrong I cant call myself Sailor Charon until my Mom has given up that title. So I'm Sailor Chibi Charon. But I'm nothing like my Mom. I have different colors. And we don't act the same at all. I Have the same kind of powers, but I really don't like them. My cousin has the coolest power, time and its not fair. I have to say the rules for Sailor Pluto has changed, but she is like me. She is Sailor Chibi Pluto. If your wondering how the rules have changed I'll tell you later. But its not fair. She too has her mom's name, but since Aunt Set (as I call her) never really had a nickname, we call her Susan. We don't really look like our moms. Since I have jade hair and my Mom has silver. And Susan has bluish green hair and Aunt Set has dark green. Our powers are exactly like our mom's. But its really cool how we can just add a few words to our attacks and they become something completely deferent. But they have the same affect.
Oh yeah, the rules have changed for Sailor Pluto that she doesn't have to stand guard all the time. She has something similar to the cumuncatier, but smaller that beeps when there is trouble with time and she just has to push a botten and she is sent right away to the time gates.

>(I HAVE BEEN GIVEN THE RIGTH TO MAKE THIS UP FROM THE PERSON WHO MADE SAILOR
CHARON:SMNIKAM13@AOL.COM: SHE SAID IT WAS OK JUST AS LONG AS I DON'T SAY I MADE UP SAILOR CHARON IF ANYBODY ASKES)
